Microsoft Business Solutions Overview

GEMKO Information Group is a Value-Add Microsoft Business Solutions Center delivering information technology solutions that enable clients to effectively solve business problems and improve business processes. We have successfully delivered high value software solutions to the Western New York business community since 1991.

Our formalized Solution Delivery Process enables our Certified Sales and Support Team to provide Value-Add software solutions that focus on User Efficiencies, Information Access, Customer Relationships and Lean Processes.

Our Microsoft Business Solutions Tool-kit includes:

GEMKO is an experienced local Microsoft Business Solutions Center whose skill sets include Manufacturing, Distribution, Service, Customer Relationship Management, Project Management, Financials, Business Intelligence and e-Business.

GEMKO's Solution Delivery Process insures that your return on investment (ROI) is realized by focusing together on the implementation of your new solution On Time, Within Budget and to Your Expectations.
