GEMKO MOVING TO NEW LOCATION

GEMKO Information Group, a Business Solutions Consulting Firm, is pleased to announce our new home will be located in one of Western New York's most prestigious business addresses - **University Corporate Center at Amherst**. The move strategically positions GEMKO for future employment growth initiatives.

GEMKO Information Group is a Business Solutions Consulting firm targeting manufacturing, distribution and professional service environments. GEMKO is focused on effectively delivering technology and process solutions that enable clients to solve business problems and improve performance to achieve bottom-line results.
