IBM Business Partner Overview

As an IBM Business Partner we have been committed to the IBM Midrange platform since the iSeries/400's inception in 1988. We successfully deliver high value Hardware, Software and Service solutions to the WNY Business Community.

Our professional services and software alliances enable our clients to leverage technology to improve their business processes and provide an opportunity to realize a return on their investment.

Our formalized Solution Delivery Process enables our Certified Sales and Support Team to delivery turnkey solutions that focus on ERP, e-Business, Collaboration and Business Intelligence.

Our IBM Solutions Tool-kit includes:

GEMKO has an e-Business implementation methodology that minimizes the risk and a B2B application engineered from the ground up for the iSeries platform. Our methodology approaches e-Business with a "Start Small, Think Big" philosophy that keeps an eye on re-enforcing the business purpose and value through the e-enabling of your business.

Supply Chain Connection (SCC) takes advantage of the iSeries architecture and maximizes the power of your iSeries hardware and ERP investments.
