INTERNATIONAL LUXURY SPA SELECTS GEMKO FOR ERP IMPLEMENTATION

Spa Chakra LLC, an international provider of luxury spa accommodations, has partnered with Buffalo-based Microsoft Certified partner, **GEMKO Information Group**, to implement and support a new business management system called Microsoft Dynamics-NAV for its worldwide operations.

The system will integrate and streamline management of Spa Chakra's financials, procurement and sales operations. The Microsoft Dynamics-NAV software will be implemented throughout Spa Chakra's worldwide locations including North America, Italy, France, China, Australia and South Korea.

GEMKO Information Group is a Business Solutions Consulting firm targeting manufacturing, distribution and professional service environments. GEMKO is focused on effectively delivering technology and process solutions that enable clients to solve business problems and improve performance to achieve bottom-line results. For further information, visit www.gemko.com. Visit Spa Chakra LLC at www.spachakra.com.
